

North Manchester Business Network Terms Of Reference

Purpose / Mission

To help make North Manchester a more prosperous, inclusive, healthy and sustainable place to live, learn and work

Objectives

- To share and access information, expertise and support for their business and workforce
- To support local schools, communities, people, businesses and a greener economy
- To promote the principles of social value among the wider business community
- To promote North Manchester as a place to live, learn and work

Governance

The network:

- Is owned, structured and directed by its members
- May in due course be constituted should members so decide
- Enables employers to get involved in different ways (pro-active; active; as and when)
- Holds bi-monthly network meetings
- Decides by a majority vote about changes to these Terms Of Reference

The network is supported by a core group that oversees membership, a programme of works and bi-monthly network meetings. The core group is supported by the network co-ordinator and the city Council.

Membership

Members:

- Agree to sign up to these Terms Of Reference
- Will introduce 1 potential new member each year
- Will endeavour to take part in or support 2 network meetings or activities each year

Funding and contributions

The network co-ordinator is funded by the City Council, Northwards Housing and One Manchester.

Membership is free but voluntary contributions in cash or kind are welcome

Members may decide to introduce a charging structure at a later stage

Impact

Where possible the impact of the network will be captured as follows:

- Member participation, new members; events; volunteers hours & contributions; residents; businesses
- Positive outcomes, good news stories; case studies; feedback; presentations

Review

The Network will work in the spirit of continuous review and improvement

Network reach and impact will be reviewed annually in March/April

The governance and charging structure will be reviewed on the network's third anniversary (March 2021)
